Welcome to the Workshop!

The Faculty of Economics, Law and Administrative Sciences at “Petru Maior” University was founded in 2002, though the teaching of economics and law traced back to the early 90’s. In 2004 the faculty started to organize international scientific conferences. Since that time, many conferences have been organized that attract internationally recognized researchers from around the world, form a favorable environment for partnerships and enhance the name and recognition of the university.

This international workshop is hosted by the Department of Law and Public Administration and the Center of Research in the Field of Urbanism and Public Policies.

It is our distinct pleasure to announce that this Workshop is organized under the patronage of the Romanian Academy (“Acad. Andrei Rădulescu” Legal Research Institute, Institute of National Economy), in partnership with University of Versailles (France), University of Salento (Italy), University of Miskolc (Hungary) and “Pro Iure” Foundation (Tîrgu-Mureş, Romania).

We are pleased to offer cultural events during the workshop: Vasile Dub vernissage, an artistic event organized by „Tudor Drăganu” Student Association; „Gaudeamus” group with the participation of students from High School of Music & Art, a concert by Toth Katalin pop music singer and traditional Romanian songs by Ioana Toma.

The organizing committee also hopes that all participants will enjoy the hospitality of our university and will take pleasure in visiting our town and its surroundings.

We wish you a great and memorable time in our city during the Workshop. We hope that the Workshop will offer you a valuable opportunity for exchanging views and creating fruitful networking.
